- El acero inoxidable de doble pared permanece caliente durante horas.
- Diseño libre de fugas perfecto para sus actividades.
- Disponible en negro, próximamente acero inoxidable cepillado, Gris y Blanco.

What sets **ESPRO** coffee presses apart from all other french presses?

**ESPRO**

**P1 Travel Coffee Press**

Insulated double-walled stainless steel keeps coffee hot for hours.

**The Revolutionary Double Filter System**

Two micro-filters snap together to trap sediment and grounds at the bottom of the brewer, and stop over-brewing.

Perfectly separates the coffee you want to drink from the grinds you don't.

**The Revolutionary Double Filter System**

Makes a perfectly flavored, grit-free cup every time.

10 oz | 300 ml

**ESPRO**

Brews a rich, aromatic, full-flavored cup of coffee.

**Revolutionary Double Filter System**

Makes a perfectly flavored, grit-free cup every time.

**Double-Walled Stainless Steel**

Stays hot for hours.

**Leak Free Design**

Perfect for on the go.
